## "WE DO JUSTICE" BY INVESTING IN OUR YOUTH AND CELEBRATING OUR COMMUNITY

We are thrilled to share the incredible impact of The Way to Justice's recent shoe giveaway event, held in partnership with SERA. This initiative provided high-quality footwear to those in need, giving away over 5,600 pairs of shoes and making a profound difference in our community. By distributing shoes to underserved individuals, The Way to Justice not only addressed immediate needs but also empowered our neighbors with the confidence and comfort to face their daily challenges. This act of kindness has enhanced mobility, improved self-esteem, and helped many walk more comfortably on their path to success.

Beyond the tangible benefits, the giveaway fostered a spirit of unity and compassion. It highlighted the power of community coming together to support one another, reminding us that even small acts of generosity can create lasting, positive change. Thank you to everyone who contributed, volunteered, and participated in this remarkable event. Your support is helping build a stronger, more compassionate community. Together, we are stepping toward a brighter future for all.

# CONGRATULATIONS TO THE 47TH CLASS OF HEAD START TO THE CONSTRUCTION TRADES!!!

The Way to Justice is a proud community partner of the Inland NW AGC's Head Start to the Construction Trades program. On Wednesday, August 28th, our Outreach Coordinator, Erica Cleveland, had the privilege of attending the graduation ceremony at Salem Lutheran Church.

We are deeply honored to support this transformative program, which fosters personal growth, self-empowerment, and a deep understanding of construction culture for individuals in Eastern Washington—including those who have been justice-impacted or formerly incarcerated. We extend our heartfelt congratulations to the graduating class and wish them continued success on their journey forward!

**Join us for a Free Legal Clinic on September 19th 2-5pm at Jackson's  
Catfish Corner in Seattle's Central District!**

Seattle Central has long been the heart of Seattle's Black community. The area has faced significant challenges due to systemic issues, including the impact of the war on drugs, which led to the influx of cocaine and heroin, contributing to violence, gentrification, inadequate housing, job discrimination, and underfunded schools. In recognition of this history of racial injustice, we are hosting Justice Night in the CD to support and address these ongoing issues.
